

## The “Working Works” Public Service Announcement Transcript of :30 Version

I work.

I work.

And I want to keep working.

When my life changed in an instant....

...When I needed support...

We made a plan...

Because we couldn't succeed without her.

We made a plan...

So I could stay in the game.

It wasn't a matter of if I could go back to work.

...It was a matter of when and how.

Because working works.

Working works.

Working works.

America works best when all Americans can work.
